FORAGE TRAILER

FOR QUICKER UNLOAD.

JBS Forage Trailers are fully customizable and come in a variety of lengths. They unload quickly and come standard with a manual swing door, with multiple door configurations optional.

Designed, engineered, and built to the same exacting standards as our spreaders. JBS trailers offer the most flexibility and features to take on even the most challenging jobs.

JBS Forage Trailers are made for a smooth ride in the field and on the road.
